## Frequently Asked Questions

### **Do I have to serve a specific department with my paperwork?**

Yes, you must serve the specific arresting agency in your case

### **How can I serve the arresting agency in my case?**

Service in-person is generally required for all arresting agencies in Kern County. For more information, contact your respective arresting agency by the phone number(s) listed above.

### **Can I just hand deliver my paperwork?**

“Counter” service is available once again. If you visit these locations in person, you may hand-deliver a photocopy of your paperwork to a designated staff member of the police department who will stamp your other paperwork to act as your Proof of Service.

### **I went to the agency and they refused to stamp my paperwork. What do I do?**

Politely request that they reconsider, as this is a common practice across Kern County.

If they still refuse to stamp your paperwork, you should prepare a Proof of Personal Service which gives the court the details of how the arresting agency got their copy of your forms. Go to [courts.ca.gov/forms](https://courts.ca.gov/forms) and search for POS-020. Fill it out and file it with your Petition and Order.
